Make a Difference - Leave a Legacy

We all want to make sure that our loved ones are looked after when we're gone and, at the same time, want to know that we will continue to make a difference within our chosen charity. However, actually confronting these issues and making plans is something that we all generally tend to shy away from.

Gifts in Wills, also known as legacies, can be separated into three categories:

- **Pecuniary** - a fixed sum of money
- **Specific** - individual possessions
- **Residuary** - a percentage of the net value of an estate

Supporting Linkage Community Trust during your lifetime is one thing, but making a statement that you're going to support us afterwards would be truly amazing.

Losing someone close to you is one of the hardest experiences that most of us will go through. Please contact us at any time should you wish to discuss this type of giving.

We would strongly advise that before making this sort of commitment, you contact a solicitor.
